INSTALLATION DIAGRAM:

INSTALLATION INSTRUCTION

- Switch off the power before starting the installation.
- Cut a hole in the ceiling as per the cutout (70mm).
- Open the front cover (Rotate anti-clockwise).
- Remove the clip and insert the bulb into the fitting. Insert the clip the back to the fitting.
- Put the front cover back (Rotate clockwise).
- Install the bulb into the holder.
- Holding the springs upwards and with the fitting hanging down, put the fitting into the hole and allow springs to pull the fitting up to the ceiling.
- Connect L & N wires and test the light.
